L Ā © VĀS is obvious obviously in the plan indicated in the 'Siphra Dtzenioutha', C. foot notes 26: 1 There is an invocation that carries the tyulus of 'the qabalistic invocation of salom, given by elliphaz lā f Ā © VI, which spreads at many points from which it was previously given, although it resembles it in some details. I do not see any reason to assume that LĀ © VĀS is not authentic. I avoid you with the name of God the strong and wonderful, which denotes the mercy and goodness of the divine majesty of him, that Abraham had invoked, was found worthy of leaving the UR of the Chaldeans. 25 chapter and prayer and praying. Ā,āš5, sub € āš3. 1 oh, Espāritus, me, conjuro for power, wisdom and virtue of God's spuru, by unexpected divine knowledge, by the great mercy of God, by the strength of God, by the greatness of God, by the unity of God; And by the Holy Name of God, Eheieh, who is the ram, the trunk, the source and the origin of all the demonstrations, where everyone draws their life and virtue, that they invoked, acquired, acquired The knowledge of all things created. . These names are some of them Ordinary Ties of God; Other medical and qabalistic names composed of the initials of the sentences, etc., and other permutations of other names. 26: 2 In the French, 'Merita d'S f Ā © Chapper', 26: 3 mā s generately the name and name of Yetragammaton Tzabot is attributed to the Petima Sephira. Updated archive! S.L. MacGregor Mathers and Aleister Crowley This edition of the minor key of Salomon is based on manuscripts of the British Museum, edited by two outstanding octives. O God, Holy Father, Almighty and merciful merciful Those who have created all things, who know all things and can do all things, of whom nothing is hidden, whom nothing is impossible; TĀ² that you know that we do these ceremonies to tempt your power, but that we can penetrate the knowledge of hidden things; We pray for your sacred mercy to cause and allow us to reach this understanding of secret things, of any nature that may be, for your help, oh more adonai, whose kingdom and power will have no end for the ages of the ages. I conjure you again, and you can urge you powerfully, oh demons, anywhere in the world you can be, so you cannot remain in the air, fire, water, earth, or anywhere in the universe, or anywhere nice that can attract it; But that they come to achieve our desire and all the things we demand from their obedience. Conjure more strong and powerful this is a considerably clean and modernized version of the minor key, which obviously intends to be used as a working document for serious magicians, instead of a rigorous transcription of the manuscripts of origin. p. The Hebrew is very mutilated. The Qabalistical reader will write down the previous conjuration rehearses the divine names attached to the ten Sephiroth. After which, I can turn back to the four rooms of the earth, and towards each one, I will say the following words: contemplate the symbols and names of the creator, who give him terror and fear forever. I conjure you by the most powerful name of Elohim Tzabaoth, which express mercy, mercy, splendor and knowledge of God, which Moisa © s p. Amā © n. I spend on the holy name of the 1 chat, which is that of the living God, by virtue of which alliance has been made with us, and redefined for us; that Moisa © s invoked and all the waters returned to their previous state and wrapped the Egyptians, so that none of them escaped to take the news to the land of Mizraim. But in case you are occupied in some place, or that they cannot come, or that it is not willing to come: then, that they invoke them again as follows, and that the exorcist ensures that even that even Being tied with iron chains, and with fire, they could not refrain from coming to fulfill their will. He then obeys, by the virtue of these holy names, and for these mysteries of mysteries. 27 And he was found worth riding the people of Israel of Egypt, and the servitude of farain. I spend again in these other names of God, holy and unknown, by virtue of which the names tremble every day: baruc, 2 bacurabon, Patacel, Alcheeghel, Aquachai, Horn , Eheieh, Albamachi, Ortagu, Nale, Abelech (or Helech), Yeze (or Sechezze) e); that avengely and without delay to our presence from each room and every climate of the world in which it is, to execute everything we will send you in the great name of God. 27: 1 Both this name and 'Saddai' are attributed to the ninth Sephira, and therefore I have put the two invocations in the same pigraph. I spend and exorcise you for the holy name of Eloah Va-Daath, which Jacob invoked when he was in great trouble, and was found worthy of being named Israel, which means Vanquisher de Dios and was freed from the fury of Esā² his brother his brother . brother.
